## THE EASY WAY TO CARE FOR YOUR PET IN SIMPLE MONTHLY INSTALMENTS

Our Pet Care Plan allows you to spread the cost of caring for your pet throughout the year. It covers your pet for all of their basic health care needs, including preventative treatments and expert advice, giving you complete peace of mind.

The Pet Care Plan provides regular veterinary health checks. We'll give advice, support and treatment planning to help prevent problems arising with your pet in the future.

The cost of maintaining the general health of your pet is then divided throughout the year into monthly Direct Debit payments. You will also qualify for additional discounts on other items and services in the practice.
